

## Presentation

- 0 1 Has a title markdown cell describing the overall goal(s) of the notebook
- 0 1 2 Makes regular use of Markdown cells to describe work
- 0 1 2 Makes use of Python comments when appropriate (describing larger chunks of code)
- 0 1 2 Graphs are easy to read (good titles, appropriate size, etc.)
- 0 1 No “junk cells” (scratch work, blank cells, etc.)
- 0 1 2 Notebook generally looks nice and is easy to follow

Total:            / 10

## Coding

- 0 1 2 3 Code is efficient
- 0 1 2 3 Code is easy to follow
- 0 1 2 Uses built-in Python and Pandas functions when appropriate
- 0 1 2 Writes functions instead of copy-pasting code
